Shown once at account creation and again when a document materially changes. Nothing below the sheet is interactive until Agree. Disagree returns to the welcome screen. Each agreement opens in place; Send by Email sends all four as a PDF.

1. Top of the sheet: Send by Email, IMPORTANT, the four agreements, the start of the text, sticky Agree / Disagree.

2. Scrolled: the legal text in the card, same sticky buttons.

3. Agreement C opened: the three visibility levels in plain English, then the legal text.
